Select / deselect all

- MAS Ultra - School Edition**  
Designed specifically for high school libraries, this database contains full text for nearly 500 popular, high school magazines. *MAS Ultra - School Edition* also provides more than 500 full text pamphlets, more than 350 full text reference books, 84,774 biographies, 100,554 primary source documents, and an Image Collection of 235,186 photos, maps and flags. This database is updated daily via EBSCOhost.  
[Title List](#) [More Information](#)
- Advanced Placement Source**  
*Advanced Placement Source* is designed to meet the extensive needs of high school students enrolled in various AP courses. It offers a world of knowledge for students who seek to achieve academic excellence. *Advanced Placement Source* contains more than 6,000 full text journals and over 200,000 photos, maps and flags.  
[Title List](#) [More Information](#)
- Biography Collection Complete**  
*Biography Collection Complete* offers a comprehensive collection of full-text biographies supporting history, science, the arts, music, literature, multicultural studies, gender studies, business, government & politics, sports, entertainment and many other areas. This database features more than 177,000 full-text biographies from many different sources.  
[Title List](#) [More Information](#)
- Book Collection: Nonfiction**  
*Book Collection: Nonfiction* is a rich research database for school and public libraries. It contains informative abstracts and searchable full text for more than 3,600 popular nonfiction books. The database includes full text entries on core subject areas, as well as information on careers, health, sports, adventure, technology, life skills and more.  
[Title List](#) [More Information](#)
- Book Review Digest**  
*Book Review Digest*, produced by the H.W. Wilson Company, is a reference database that provides review excerpts and book summaries for current English-language fiction and non-fiction books for all ages. Abstracting and indexing are included for more than 112,000 books.  
[More Information](#)
- Columbia Granger's Poetry Database: School Edition**  
*Columbia Granger's Poetry Database* is an index of poetry found in anthologies as well as those found in the collected works of individual poets. This database currently has nearly 50,000 poems in full text and more than 400,000 poem citations.

  - Limiters
  - Proximity Searches
  - Improving Search

The main content area of the browser window features the heading "EBSCOhost Research Databases" and the following text:

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

**EBSCOhost Tutorials**

EBSCOhost Online Help now includes product tutorials. These three-to-four minute tutorials guide you through the features of your EBSCO products. Tutorial subjects include Basic and Advanced Searching, Creating Searches and Alerts, and Page Composer. To view a complete list of available tutorials, see [EBSCOhost Tutorials](#).

**EBSCO Support Site**

EBSCO's [Support Site](#) is available 24 hours a day, 7 days a week. Our FAQ database, tutorials, and user guides can provide answers to your technical questions. EBSCO Customer Support Representatives are available Monday through Friday from 4 a.m. to 8 p.m. (EST) and Saturday and Sunday from 9 a.m. to 5 p.m. (EST).

**How to Use Help**

**HELP:** Click on the *Help* link to view the complete online Help system, and visit our Support Site to browse our Knowledge Base of FAQs, download Help Sheets, User Guides, and tutorials, or see what's new in our Top Stories.  
This concludes the Basic Searching for K-12 School Libraries tutorial.
